FAMILY • LEADERSHIP • RELATIONSHIP

**TONY CASH** believes that the health of a person requires focus on

three main areas: Spiritual health, financial health, relational health. He lives his life with these three principals in mind. His mission is to leave a legacy of love by sharing principles that enriches the lives of other people.

Tony is the founder of Global Leadership Christian Church where he has grown from a small group in a living room Bible study to a vibrant, committed congregation of regular Sunday attendees. His passionate preaching coupled with life-changing practical wisdom has impacted the church and the community around it. Tony is committed to being a pillar in the community and helping to see those in the community grow and thrive. He was featured as a lead community member for a panel discussing church and politics.

Tony has a background in finance and financial health. He graduated from Baker College in Flint, MI with a B.S. in Business Management. Since graduation, he has worked in the financial industry for over 30 years. His wisdom gained him exposure and he was a featured speaker in a community financial workshop.

Tony is currently working on several projects including Leading from the Front 2.0, a book as well as a Men's Conference.

Tony lives in Atlanta, Georgia with his wife, Eleshia and their two children, Kennedy and Jackson.

*"I WILL NOT DIE WITHOUT CHRIST. I WILL NOT DIE UNHAPPY. I WILL NOT DIE POOR."*

– TONY CASH

Tony Cash teaches a three-prong approach to life. The whole sum of the person includes both spiritual and financial health. Tony lives by the motto, “I will not die without Christ, I will not die unhappy, and I will not die poor. Every decision he makes revolves around these three things. These principles are what he shares with those around him.

## **SPIRITUAL HEALTH**

The key to everything starts with being spiritually healthy and then everything evolves from there. 12 years ago, Tony was ashamed of the resources that He wasted. He realized that his spiritual life wasn't properly aligned. Once he began to see the importance of putting God first, he began to see results in all other areas. Tony credits his relationship with God as the driving force for everything in His life. Tony teaches people how to bring God into the center of their lives and to allow Him to orchestrate everything else.

## **FINANCIAL HEALTH**

Financial health is necessary for a well-rounded lifestyle. He believes financial health goes hand in hand with spiritual health. Tony teaches essential wealth building principles. If you apply the principles that are laid out, the results are guaranteed. It takes a high level of integrity to make financial wellness decisions and to have financial success.

## **RELATIONAL HEALTH**

Healthy relationships start when we are willing to humble ourselves and exalt others. Tony teaches that in order to have healthy relationships, everyone has a part to play. Everyone's value is equal but their part is unique. Tony challenges relational issues while teaching principles that make relationships thrive.

## **LEADERSHIP HEALTH**

Great leaders are energetic, passionate, and effective. Most importantly, great leaders care about the people that they lead. Leadership comes from concern and care. In leadership sessions, Tony shares important principles of leadership. He teaches leaders how to be engaging, relatable and effective.
